Dear Pharmacist(s):

Teva Canada Limited is voluntarily recalling **ACT Candesartan 4 mg tablets**, with the lot numbers noted above.

The voluntary recall is occurring because the product is predicted to not meet stability specification towards the end of shelf-life.

Teva Canada is proceeding with a **Type III** recall of the lot numbers noted above to the **Retail Level** with the knowledge of Health Canada.

Please examine your inventory and determine if you have any remaining stock with the lot numbers noted above. If you distributed product to another retailer, please notify them to cease distribution.

If you ordered product direct from Teva Canada, you will be provided a recall package that includes a returns form. **Please return all products to your point of purchase.** Your account will receive a credit for all returns. If you have any specific questions regarding the recall process, please contact Teva Canada Customer Care at 1-800-268-4129.

Teva Canada would like to thank you for your understanding and continued support.
